

Coffee Bean Rabbitry Purchasing Policy

By moving forward with a purchase, the buyer agrees to be held to this policy.

Closed Rabbitry Policy

- We operate as a closed rabbitry to maintain the biosecurity of our herd.
- Picking up directly from our rabbitry is not allowed.
- Photos or videos of your rabbit can be provided upon request.

Deposits

- We operate on a first-come, first-served basis.
- A \$50 non-refundable deposit is required to reserve your rabbit. This deposit applies toward the total cost.
- Deposits cannot be transferred to another rabbit. If you wish to switch to a different available rabbit, a new deposit is required and the previous rabbit will be relisted.

Payments

- We accept Venmo, PayPal, Zelle, and cash for in-person pickups.
- PayPal and Venmo must be sent via Friends and Family.
- The full balance must be paid by eight weeks of age for babies, in full for adults, and before pickup or transport.
- If using a transport service, the rabbit must be fully paid before pickup.

Pickups

- Rabbits must be picked up at a public location near us unless using a transport service.
- We are located in Boise, Idaho and can coordinate pickups within a reasonable distance.
- No rabbit leaves before eight weeks of age.
- One to two weeks before pickup, we will contact the buyer to schedule.
- If the buyer does not respond within forty-eight hours, the rabbit will be relisted as available.
- Buyers are responsible for timely communication.

Transport Options

- Third-party transport: Preferred transporters include Cluckingham Carriage Transport Services and Dunn's Critter Transport. Other transporters must have a good reputation with breeders.
- Private transport may be available for an additional fee. Contact us for details.
- Transport deadlines and boarding fees: A one-month grace period is allowed from the Ready to Hop date for transport pickup.
- If a rabbit must stay longer, boarding is ten dollars per week for a maximum of one additional month.

- If the rabbit is not picked up within the maximum timeframe, the purchase will be terminated with no refunds.
- Unpaid boarding fees also result in purchase termination with no refunds.

Gender Policy

- We do our best to accurately sex our rabbits, but mistakes can occur.
- If a mistake is discovered before pickup or transport, the buyer may keep the same rabbit, or select another available rabbit and pay any price difference.
- Buyers are encouraged to check the rabbit's gender and teeth at pickup. Once the rabbit leaves with the buyer or transport service, the rabbit is accepted as-is.

Health Guarantee

- We only sell rabbits that appear healthy to the best of our knowledge at the time of sale.
- Once a rabbit leaves our care, we are not liable for any health issues.
- The seller is not responsible for veterinary bills, refunds, or exchanges.
- Health cannot be guaranteed after transport.
- By completing the purchase, the buyer confirms the rabbit was healthy at pickup.

Rabbit Returns

- If you can no longer care for your rabbit, please notify us immediately.
- We will accept the rabbit back with no questions asked.
- No refunds are provided for returned rabbits.
- We understand that life circumstances can change, and our priority is ensuring all rabbits remain in safe and appropriate homes.

Rabbit Care

- Rabbits are trained to use bowls.
- Each rabbit goes home with a transition bag of feed.
- A pedigree is provided unless the rabbit is sold as a pet. Pet rabbits receive a birth certificate.
- First-time rabbit owners may request a care sheet.

Pickup Reminder

- Buyers must bring a suitable carrier such as a small pet carrier, tote, tub, or box.
- Coffee Bean Rabbitry is not responsible for transportation issues if a buyer arrives without a carrier.
